# ALUMINUM

**Durable, non-rusting aluminum is the metal of choice for outdoor living on the coast.**

At Bay Breeze Patio, we offer five brands of premium aluminum furniture. Aluminum is a great choice for commercial spaces due to its diverse qualities:

- Durable
- Non-rusting
- Light weight
- Many color options and fabrics

The choices for aluminum are endless, ranging from heavy cushioned cast aluminum to lightweight extruded aluminum sling. Today's outdoor aluminum furniture styles run the gamut from very traditional to transitional to contemporary.

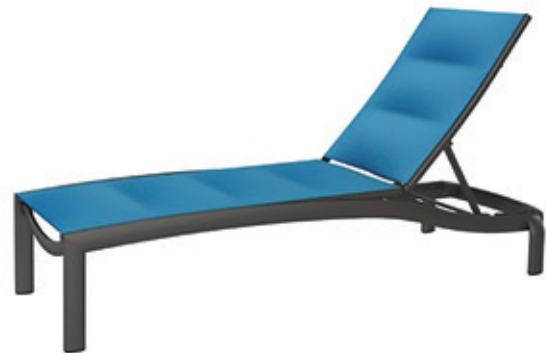

Options include:

- Cushioned cast and extruded aluminum
- Light weight sling
- Padded sling
- Strap
- Stackable and non-stackable

Aluminum outdoor furniture is available in a wide array of products including:

- Benches
- Tables
- Chairs
- Chaise Lounges
- Modular Seating
- Bar Sets
- Dining Sets
- Balcony Height Sets

Our design consultants, armed with unlimited resources, can oversee the creation of long-lasting outdoor living spaces both large and small.

## WICKER

Synthetic wicker furniture holds up well against the sun, salt and sand that comes with coastal living, making it a top choice for outdoor furnishings.

Bay Breeze Patio is the official retailer of the leading premium outdoor wicker furniture brands. Each line features sophisticated style, design, and durability.

Products include:

- Dining
- Deep seating
- Lounging
- Accessory pieces

## COMPOSITE

Bay Breeze Patio also specializes in composite furniture made from synthetic lumber, an extremely durable option. While each of our three brands is different, they are all made from virgin and recycled plastics, making them environmentally friendly and a great choice for high traffic areas with harsh conditions.

The most popular types of composite furniture include:

- Dining, balcony and bar height tables and chairs
- Adirondack chairs
- Rocking chairs, benches, lounges and swings
- Deep seating
- Picnic tables

## GRILLS & APPLIANCES

Bay Breeze Patio is the premier source for commercial grade outdoor grills and appliances in Northwest Florida. Products for outdoor kitchens, bars and cooking areas include:

- Grills
- Ice machines
- Kegerators
- Power burners
- Refrigerators
- Cabinets
- Concrete and aluminum islands

*No matter what the job, we have a solution for your outdoor needs.*

## FIRE PITS & HEATERS

Add ambiance and warmth to any outdoor space with fire pits and fire tables. At Bay Breeze Patio, we offer an extraordinary collection of gas fire pits and fire tables in a variety of sizes and styles. We also carry gas fireplaces and fire logs. For outdoor spaces that need warmth, Bay Breeze Patio carries commercial grade outdoor heaters.

- Gas fire pits
- Fire tables
- Outdoor gas fireplaces and fire logs
- Indoor gas fireplaces
- Gas patio heaters
- Infrared outdoor electric heaters

# SHADE

Bay Breeze Patio features a wide selection of high quality products that provide shade, including:

- Awnings - offering cool comfort and excellent protection from UV rays
- Umbrellas – bringing style, function and shade to a variety of outdoor spaces
- Pergolas – helping to define an outdoor space and provide varying degrees of shade

At Bay Breeze Patio, we handle many commercial projects, both large and small. Our high-quality outdoor furniture can withstand harsh coastal conditions. We carry 15 brands of premium outdoor furniture and we are an authorized dealer of Sunbrella Fabric.

Whether you're furnishing a restaurant patio, a community pool area, or a hotel common area, we have commercial grade outdoor products that can help you accomplish the vision. We invite you call us for a risk-free quote at **(850) 269-4666** for your next project.
